The Story:

This is the second time i have visited this lady , and the seond time was just as good as the first if not better. She opens the door dressed in a very revealing outfit , which got the pecker twitching , led me up stairs to the bedroom where she helped me to undress and helped me to fold up my clothes, led me into the bathroom for a assisted shower , made sure i was all clean for the next hours fun , special attention was paid to my cock and balls in the shower to , she got me rock solid ! Back to the bedroom and she got down to business straight away got my cock into her mouth and gave me a very sloppy blow job , i was in heaven at this point , i asked her to assume the 69 position and she happily obliged, the taste of her tight pussy was delightful and i got it all wet with my mouth , i could have stayed in this position for ever as she was making magical moves on my cock with her mouth . Eventually she grabbed a condom and slipped it on me and sat on my cock and started to ride me cowgirl style , my favourite position as i could see my cock disappearing into her wet pussy the juices were flowing and it looked so fabulous. she flipped onto her back and i entered her again in the missionary position ,wow i was really enjoying this punt . i fucked her for what seemed like ages until i came deep inside her . i lay on top for a while stil inside eventually pulling out and snuggled up next to her , she then gave me a full body massge , which i thoroughly enjoyed ,she was good at that to . started off on the back of my body with the neck, back, then my legs legs , i turned over for the same on the front , until she got to my now hard once again cock and we repeated the incredible sex all over again.

what a way to spend 1 hour , it was fantastic, dont pass this opportunity up and book this lady for one hour of pleasure , you will not be disappointed. i have seen a few girls from this agency and Apple is niow top of my list i will see her again very soon im sure
