The Premises:

Fairly well-known, I believe: cottagey premises in a commercial area just off Constitution Hill; an interesting building with four rooms, of various sizes, for business. It's clean and tidy; and boss Shannon has always been keen on security, so a large metal-barred gate guards the entrance. There is actually a car-parking space or two behind it; and there is ample on-street parking in front. I mainly travel there by train these days, and Snow Hill Station is just a short walk away. Although I have never used it, I am aware that a shower is available.

The Lady:

Both women have the kind of body that I like: curvy (but not fat!), with full and firm natural boobs. Both were dressed in sexy underwear. Anna is of Hungarian origin, although her English is really good. I suspect that she is the younger of the two, probably early-mid thirties. Paris reminded me that it is now nineteen years since I was her first customer for full-service GFE, at the late-lamented Blue Ice. She claims, for her work at a Coventry establishment, to be thirty-five years old, which would have made her just sixteen when we first met! No way; so I reckon that you can add ten years to that. She is given to wearing wigs (I believe) and large false eyelashes; actually rather sexy. The thing about both of these women is that they are both very friendly, work well together and know what's what.

The Story:

I had 'phoned the friendly, and always very helpful, receptionist Penny earlier in the week to enquire about Bella (aka, to me, "The Sub-Slut") on this Friday, but was informed that she was not working that shift. so decided to book these two. These days, I do not punt with women from anywhere other than this place, so I have known both of these for some time. They entered the large room upstairs, and I told them to take their bras off and offer their boobs up for inspection. Then we had a standing-up session while they made a sandwich of me, and I turned round between them. They are both superb DFK-ers, There was then some argy-bargy between them about who was going to have the pleasure of the first suck of my cock. Anna won, and went onto her knees to deliver a superb OWO while I carried on DFK-ing Paris, and massaging her clit, to ensure that she was juicy enough to be fucked. She was, so she lay back on the double-bed, opened her legs and invited me to pay it mora attention. I didn't need asking twice! Rubber on, and deep into her, for a good few minutes, with Anna stroking my back. I then lay on the bed, and the two of them went turn-and-turn-about, one

giving, alternately, the most wonderful DFK and the other giving a similarly-rated OWO. We'd decided that Paris was going to be fucked in cow-girl, but, after about the fifth change-over, she was sucking and licking so well, with Paris giving such a good girlfriend-snog, that I came. A four-handed massage and friendly chat to finish, and I was on my way, a very satisfied customer.
