The Premises:

MKE have moved into a new place. It lacks a bit of character compared to the old house, but it's discreet, nicely furnished and all the rooms have en-suites.

The Lady:

Chantelle is a gorgeous brunette with bright blue eyes. She has a lot of tattoos which personally I like. Her photos on the site are accurate and unlike most girls she doesn't blur her face, so you can judge for yourself.

The Story:

This is the second time I've seen Chantelle and I think she's amazing. Started off slow with kissing and cuddling and other fun to get me hard. I think she's very good at judging the pace of session, not rushing you and responding to how you're feeling. Then owo which she is incredible at, taking me quite deep. After that sex in a number of positions. Chantelle seems to enjoy going at it quite hard, and I was pretty happy about that too. Finished CIM which was mindblowing. After she offered a massage which included some fun touching, and we just chatted about all sorts. She's a real sweetheart and a very genuine and forthright girl. If you click with her you can really feel it. Pretty sure we went a fair bit over time as well which she didn't seem concerned about at all. She's just lovely and I'll definitely be coming back to see her.
