The Story:

I paid the money and the fun started

After paying money she removed her top and seeing that my pp became hard
She started to undress me after removing my underwear she clean my pp
N started blowjob full sloppy n wet it was something else her skills are of top level
After sometime she's on the bed and I started kissing her
French kissing is was so good then boobs sucking taste was great the I went down to lick pussy her
pussy is so tight
Taste great wet then some 69
I ask if I can finger her pussy but when said no because my nails were long (when visiting her cut
your nails and cum)
And now the main starts she put condom and started riding (cowgirl) I cum like after 1 min
The pussy was so so tight that I cum so fast and the feeling while She was riding was so good
peaceful
I felt so good then she remove condom
A little break
She started massage n I was licking her boobs
Then I told her to give me a handjob to make it hard for round 2
It was hard in instant then we have sex in so many positions
Doggy after sometime I cum
The sex was so good after second round it was time for cum in mouth
N started having sex again n cum the 3 time

Becoz of her tight pussy and she was careing made me feel good
After 3 time I was so tired that my pp was becoming soft when ever I was putting it in
So I told her let take a break
After sometime I told her to start giving me hand job while giveing handjob she was also talking Tht

Then finally I told her Tht m cumming she put my pp in her mouth and I cum for 4 time in her mouth
Tht felt so great
