The Premises:

Off main junction in Worcester Park, South London. Opposite the Post Office. 2nd floor? The place was a bit dindgy but good enough for the fucking I wanted

The Lady:

Angel-baby petite beautiful face asian great figure could be late thirties nice boobs but didn't want them sucked or handled. The other girl very plain and younger but pleasant. Photos of her (AB) accurate but the joint has previous for bait and switch. Be warned

The Story:

I wanted an asian duo and saw AB on AW. She sent me some Whattapp pictures of her and a new girl whose name I can't remember and recently arrived from Bejiing. The girl has probably moved on in any case but AB was the star of the show anyway. After a mix up I got the right place and arrived on my bike wearing lyra shorts the full gear. The girls were very sweet and starting groping me. Grabbing my ass clutching my groin. Lovely being treated like a piece of meat. I had to extracate myself and get to the bathroom to wash my cock and then back to the girls whose games I had to stop. I put then on all fours on the edge of the bed and buried my face in their arse cracks running my tongue up and down and pushing my face and tongue as far as could into them. The girls then demanded - no exaggeration to suck my cock. Then got on their knees and licked both side of my cock at the same time then passed it between them to deep throat. AB saying I had a georgeous a cock - the asthetics of my cock girls like. Both girls really needed to suck it. Very nice but I wanted to fuck. I thought start with the Bejung girl but AB cried me off that saying she'd recently arrived. Not sure why the girl wasn't fucking but then I soon was balls deep in AB missionary. Very lovely fucking her and she was blown away losing it. Tried to suck her tits... but beautiful girl to ride. She was telling me how good it was and to keep fucking my cock perfect for her. I did pretty well considering and keep banging her after I'd cum to bring her off. Super nice lady. I'm thinking of going back soon
