The Lady:

She didn't look as good as the photos but the photos were her at some time in the past I suppose. I was taken aback by her face as it was not what I had expected. Her boobs have indents around them similar to a knob on a microwave. She was older than advertised for sure. Her skin was quite loose and saggy. She seemed at least 50 years old according to me.

The Story:

I was kindly guided to the room and shown the washroom/asked for a shower once I had entered. Following which, I spoke to a staff member who told me that even though I had booked for an hour because I was unfortunately delayed (Thanks TfL), I could to stay only for 30 minutes but was forced to pay for the full hour as I had reserved her time. I negotiated a little as the delay was not of my doing (I had left half hour in advance), so we agreed to come to a compromise and I would pay for 45 minutes. I made a request to the staff member that Eden enter the room clothed to begin with. Eden entered the room in a red bathrobe and gave me a kiss. We then got the paperwork out of the way. Once she was back we got to snogging, she went quite light to begin with but was quite responsive to my requests to go deeper. She then undressed me and then I unrobed her as she undressed. She got some stocking to tie my hands and feet while I had brought my own eyemask and we used that. She guided me to the bed as I was blindfolded and laid me down. She played with my nipples and ran her hands all over me. She then proceeded to suck me off. She has really good sucking skills which is the main reason I'm recommending her, alongside the fact that she is responsive to feedback. We then 69'd as she untied me and about 20 min in I finished as she beat me off with her hand. She then asked me if I wanted a massage for the remaining duration and I took her up on the offer. She was good with her massage skills as well. Overall not what I expected but fun and good.

Service Provider's Rebuttal

The lady writes,

Hello, I would like to point out the problem of being delay by this person. Unfortunately this made this man not happy and made this comment on purpose. I have clear pictures where I don't have any loose and saggy skin and it is visible I train fitness. I have also breast job done hence my boobs cannot be described they were above. Those comments are pretty offensive and don't show any relevant description of the real meeting as I couldn't have any impact on train being delayed and having next booking I cannot give person full time hence and I had to shorten the meeting and he wasn't charged for full hour either. He could not be happy he has not full hour and it is pretty visible that was a big issue in a first place.
