The Premises:

A discreet house in Chelmsford was the location, seems safe, I visited during the day and there were parking restrictions in the nearby street. Heidi tours so this is one of many premises she uses. Very clean inside, room perfect for meet, big double bed, nice atmosphere.

The Lady:

Exactly as per her photos. Heidi is an absolutely gorgeous Thai girl in her 20's, she's about 5ft, nice and petite, nice morena tan, long dark silky hair, very pretty, enhanced big boobs, sexy legs, sexy feet and slim tummy and the most amazing little petite bum. She speaks good English and is very friendly, the perfect host.

The Story:

Arranged the day before via text. Confirmed on the morning again via text and was sent a menu of services and the location. Arrived on time and was let in by the most exquisite petite Thai girl I think I've ever seen. Just wearing a bra and tiny g string, her bottom had my jeans bulging before we even said hello! Very friendly, sorted paperwork and she already knew I wanted standard service with rimming also. After a really nice snogging session with me groping Heidi's little bum and boobs and her grabbing at my hard cock through my jeans, we both moved on and Heidi went straight down onto her knees and pulled my jeans and boxers off with a "wow, big dick..I like" which made me feel amazing. She then started slowly sucking and licking my cock! It was soon rock hard with Heidi's little lips around it and I was in heaven with my pants around my ankles, just 5 minutes in! Onto the bed with me on my back for more cock sucking for about 10minutes, Heidi is very good at blowjobs and was lapping up the precum oozing out of the end of my helmet. I do have a big cock and she couldn't manage to suck it all down just concentrating on the top 3 inches of my dick, but she did lick it all up and down my shaft and sucking my shaved balls. I hadn't even got her tits out yet and she was asking me to turn around doggiestyle on the bed where she gave me an amazing rimjob (I paid £20 extra). Licking my arsehole and getting her tongue up inside me while she moaned, an amazing service. She was also tugging on my erect dick while she did this, a true expert at playing the rusty trombone and she had me moaning and struggling not to cum as she got her tongue right inside my bum and yanked hard on my big hard cock. Exquisite. After doing this for about 10mins I turned around and we shared a sloppy passionate kiss, our tongues in each others mouths. My turn next and I quickly took Heidi's bra off to reveal a huge pair of fake tits with big brown nipples. Amazing and I spent a good amount of time sucking and groping her big Thai tits. Next I whipped off her g string to reveal one of the smallest, neatest little Thai shaved pussies I've

ever seen, so smooth and I immediately went down on her between her legs lapping at her hole and tasting her juices and plunging my tongue inside her wet labia lips. Absolutely delicious tasting pussy, I could lick it all day long. I then started flicking my tongue off Heidi's hard little clit and she told me in no uncertain terms to suck her clit hard in my mouth so I did. Wow, Heidi loved this and threw her head back in ecstasy and was pulling the back of my head hard into her pussy so I had a face full of Thai pussy and a mouth full of her juicy clit! I stuck at my task now I knew how to press her buttons and after around 10 mins Heidi let out a cry that she was cumming and she pushed hard onto my face and tongue and cum in my mouth, her thighs clamped tight around my ears as she orgasmed. As her orgasm subsided I licked her pussy hole clean of all her cum juices. Heidi had a big smile now, she definitely enjoyed that! She leaped up and grabbed hold of my pulsing very large hard on and purred, "time to fuck me baby" but not before she went back down to suck me off again on all 4's as she had her cute arse in the air and was squeezing my balls at the same time. Condom on, and into missionary and eased the tip of my dick in as she moaned, slowly inch by inch watching this extremely tight little pussy try to take my cock, but in reality it wasn't going to happen as it was just too big for her to handle. She managed about 6 inches of my thick cock and it looked amazing watching my erection as it pumped in and out of this beautiful young Thai girl. Heidi cock riding followed which she very much enjoyed as I once again was struggling not to cum and then reverse cowgirl which I got to hold her little smooth tanned bum as it slid up and down my large shaft. Then doggie and prone bone, we were at it like crazy, Heidi Absolutely loves being fucked and took a really good hard hammering in lots of positions before she started to ask me to cum for her and who was I to deny her. We did it hard in doggie me pounding her hole as I spread her cute smooth pert bum cheeks and looked down at her brown hole, stopping a few times to lick her arsehole which she told me "it tickles" with a cute giggle. After lots of grunting and groaning we were both covered in sweat and I could hold back no more and I shot a massive load inside her from behind (in the condom). It was one of the most satisfying orgasms I've ever experienced, Heidi fully emptying my balls in one go in ways that I find only slim young Thai girls can. Once my intense orgasm subsided I slipped out my spend dick the condom weighed down heavy at the end by the sheer amount of thick spunk Heidi had drained from my pent up balls, another "wow" from Heidi as she saw the amount of thick cum I'd produced, my big dick bowing down with the weight of it.

Heidi took the condom off and cleaned my dick up with wet wipes again telling me I had a big dick and she enjoyed getting fucked by it and had cum a second time during our sweaty sex session.

Small talk and a massage followed and another quick hand job with 5 mins to go where I nearly came but couldn't quite manage it in time.

Heidi is a sexy sexy little Thai who LOVES sex and pleasuring guys, so make sure you make her cum! Wouldnt hesitate to return if she was in town as she is just my type, she's very fit and pretty and half my age and loved the sex as much as me!
