As previously described.

The Lady:

Attractive, 30 something, slim, petite, small - medium sized breasts, fully shaven between the legs, currently described as Asian on her webpage on the HoD site but to elaborate on this she's almost certainly south east Asian with a very good command of the English language.

The Story:

I'd been trying to book Apple for nearly 10 years ever since I first read her reviews on PunterNet but either she wasn't working on the days I was free to punt or she was fully booked. Finally I caught up with her but it meant me rescheduling my commitments so I was available when she was. I'm so glad I did.

Apple entered the room very soon after I arrived and before I'd started to undress. Her introductory kiss morphed within nanoseconds into fk and then to dfk within a further nanosecond. Plenty of mutual groping ensued over the next few minutes before she knelt in front of me to perform owo. After a couple of minutes of absolute bliss, I divested myself of all my clothing and we got on the bed whereupon she continued owo while I instigated 69 for a few minutes and then moved onto a bout of frottage while dfk'ing.

She had an excellent owo technique which included licking all over the testicles while simultaneously making good use of her hands over the main erogenous zones around the nipples and anus. This felt so good that I didn't want it to stop so I lay back to enjoy the sensations. This part of the proceedings lasted at least 15 minutes but with the clock ticking towards the full time whistle, Apple gradually intensified her efforts eventually culminating in a long, explosive cim climax. She made pleasant chit chat while I recovered before dressing and we said our goodbyes exactly 45 minutes after I'd arrived.

And so concluded yet another excellent punt at HoD.
