The Premises:

A 2nd floor flat behind shops on a main road. Despite that, entry is fairly discreet. It is located about a 10 minute walk from Lewisham Station.

The Lady:

The profile pictures are accurate. She is a busty (natural) Thai girl with a small, shapely bum.

The Story:

I enjoyed the visit, but be warned Natalie likes being in control. She seemed to be forever shushing me too even though I was making no noise. She then ushered me to have an assisted shower. I'm all for cleanliness, but Natalie wouldn't stop until I'd been thoroughly cleansed. She even made me sit down in the bath at one point. Onto the bedroom, she then gave me uncovered oral which was rather nice except she kept stopping to wipe my glans. We followed that up with covered sex in cow girl and doggy positions. She has a lovely body, but owing to the time the shower took and her assertiveness I missed out on sucking her nipples.

I have seen 3 different girls here now so I think it's time to move on.
