The Lady:

Exactly as her profile on the website and descriptions I've heard of the gorgeous woman.

The moment she entered the room in a sexy Victoria Secrets black lingerie set and sparkly black heels I knew it was an excellent choice and I was excited for what lay ahead.

The Story:

The sensational stunner walks in, we embrace and start with some passionate dfk, we got embraced like lovers and she has the perfect GFE style.

During lots of snogging she took my blazer and shirt off, unbuttons my trouser and pulls out my cock and starts stroking it ever so expertly and softly whilst we kiss passionately.

I reciprocate by teasing her sensational body and we pull each other closer building sexual chemistry and sensual tension, before I know it Gabriela is moving her way down my torso kissing me as she continues to stroke and she slowly drops to her knees and starts sucking passionately on my rock hard member with loads of eye contact. Hands up and down my shaft, lots of slurping, tongue flickering the head and then deep throat like you wouldn't believe!

We moved on to the bed and some events which I will keep between myself and the phenomenal Gabriela to share as private moments.. but there was certainly a WOW factor this gorgeous woman possess which brought a first for me in a punt and surprised me myself!

I can see exactly why this woman is so popular and the website says to book in advance now, if the site did stars for feedback, this one would definitely be top marks and 5*!
