### The Premises:

Easy to find plenty of free parking code entry so very safe. They have moved into a newly renovated room that is very nice excellent shower facilities and the main room has a sofa and bed is very clean warm and welcoming.

### The Lady:

Erin is around 5' 3" tall she is slim but has a beautiful shaped body with legs that seem to go on forever. She has sexy long curly hair a beautiful face and glasses that really enhance her looks, in fact she gives off so much sex appeal and is far better than her photos

### The Story:

Erin opened the door to let me in and greeted me with a DFK with plenty of tongue. I then saw this beautiful sexy woman in front of me wearing a silk dressing gown that was open enough to show her boobs and barely long enough to cover her bum. Erin asked if I wanted a shower to which I accepted and she then proceeded to undress me in the most erotic way, returning to the room after my shower I returned to the room and was asked to sit on her the sofa, Erin then slowly removed her dressing gown to reveal her body and my god what a body she has she was standing in front of me now completely naked and she started to play with herself all the while looking at me with her seductive smile she saw how excited I had become and whispered in my ear to lay down because she wanted to fill her mouth with something, and what followed was the wettest deepest BJ that I have ever experienced my god this woman knows how to suck cock. After she had almost ruined me I ask if I could return the favour to which Erin replied yes please. I laid her down on the bed and slowly spread her legs to reveal her beautiful pussy and I started to taste her and boy she tastes so good I pleased her orally until she orgasmed and this girl can orgasm her whole body shakes and the noises she makes not to mention how wet she was this lady knows her body and how to enjoy herself. After she came we lay together for a while kissing and cuddling mainly soo that she could recover but all the while she was playing with my cock, once she was recovered she then looked me in the eye and told me that she was going to make me cum like I have never cum before!! And boy was she true to her word what followed was sheer bliss with this beautiful woman giving me all of her attention switching from sucking to fucking and eventually me cuming so hard. I can honestly say that this was the best 2 hours of sex I have had in many years this lady is a real find and one I will visit again and again.

Thank you Erin and thank you Em I don't know how you do it you keep finding these beautiful sexy ladies.
