Nice spacious flat in Queensway with a good sized bedroom and a nice bathroom

The Lady:

Mata looks even better than her photos with a beautiful face and a very sexy, curvaceous body (no fat). Nice enhanced breasts. Probably around 5'5", late 20's with lovely long hair

The Story:

I have seen Mata a number of times and each experience gets better & better. She is very friendly and eager to ensure you have a great time. Her English has improved dramatically and conversations are fun. I prefer not to go into detail as that is between the two of us but I have to say her owo is outstanding. Can also give a great massage. I have never left a review for anyone before but felt compelled to do so in Mata's case - she is my favourite Olina girl and is the best for overall looks/friendliness & service. If you see her you will not go away disappointed. Hope to see her again in March when next in London.
