### The Premises:

Formerly Sandys in Prestwich. Didn't visit when it was Fifty Shades, but under new ownership and seems just as good as in Sandys heyday. Room was spotless, Ancient Egyptian themed with en suite shower.

Travelled from Manchester by tram, got off at Heston Park and it was a ten minute walk up Bury Old Road.

The place is run by the same people that used to run Cherry's in Central Manchester.

### The Lady:

Slim, sexy blonde, late 30s-early 40s, big fake boobs. Photos on the website look quite recent and accurate. She does have one or two tattoos but she is also facially pretty with beautiful blue eyes. You also can't see on the photos what a nice bum she's got!

### The Story:

Called in advance and booked an hour with Phoebe. I was a few minutes early but was directed to the room by the helpful but busy receptionist and told that Phoebe would join me shortly.

I quickly showered during which Phoebe entered the room wearing the dark pink outfit in her profile pics and lay seductively on the bed. After I dried myself Phoebe invited me to join her. I lay down next to her and she pounced on me like a hungry lioness - lucky me!

Full on French kissing from the outset, was followed by some great OWO. She came up to release those huge breasts and let me get my hands and mouth around them and then it was my turn to go down on her.

She tasted so sweet and asked me to finger her at the same time as I was licking her clit. I don't know how long I was down there but she eventually came in my mouth and then pulled me back up for more French kissing.

The only problem for me was that the little fella was having an off day - sadly getting a regularity. Phoebe tried to get him interested with more OWO but to no avail. We even tried a 69 during which she orgasmed again.

I eventually managed to wank myself to a climax while Phoebe fingered herself, followed by more French kissing then time to clean up and shower. On the way out Phoebe introduced me to the lovely Danni with whom she does a full on Lesbian 2 girl - "Double Trouble" Phoebe said - and I would love to try that. Just hope the little fella performs better that day!

The £120 was £100 paid to reception and £20 for extras in the room.
