The Premises:

A very small 2nd floor room in a flat very close to Woolwich DLR & main line stations. Although the flat was in the shopping area, entry was via intercom and buzzer.

The Lady:

It was definitely the girl profiled, but she was a dress size bigger.

The Story:

I enjoyed the session because I really needed a punt with a more ample,natural breasted girl. I also didn't feel rushed and there was a friendly vibe. I loved the covered oral and sex with her on top. I was quite surprised when I came without a struggle because I was a tad tired.
