The Story:

Ella opened the entrance for me and asked me if I wanted some water, I obliged and she got me the glass after showing me the room we were to be in. She gave me a few kisses and then we sorted out the paperwork. I asked her if she could undress me as I like that, she obliged. Then I told her some of my special requests including my own blindfold that I had brought. She seemed genuinely excited and put it on me after asking me to lie down. She proceeded to tease me to oblivion, exactly how I like it. Her touch was sharp but gentle. She slowly started teasing my little guy with her tongue. She asked me if I had ever tried anal play and wanted to do some, I answered in the affirmative. She then proceeded to lift my legs and tease my backdoor while still running her fingers across my thighs and calves. I then suggested that I get on all fours and she agreed. She used some lube and proceeded to put a finger in just as she started wanking me off. It was always a fantasy of mine to have that done to me and I loved it. After a bit she asked me to turn around and then proceeded to give my little guy some additional much needed attention. She used her tongue and hands in creative ways, even sucking my balls and not neglecting them. We then proceeded to 69 with some minor breath play, I loved being choked by her pussy haha. She gave my little guy a wonderful time while I ate her out to my hearts content. She tasted quite good, might I add. Soon my little guy was bursting and I finished. She then gently cleaned me up and we cuddled and had some pillowtalk. Absolutely wonderful time and I can't wait to see her again.

She is quite sassy and has a wonderful personality. I would 10/10 recommend and would go so far as to say that she's the best punt I've had in my year and a half of punting. She is genuinely enthusiastic and communicates directly.
