### The Premises:

Private flat in a mews nr South Kensington. Her flatmate also present (downstairs). Clean, pleasant.

### The Lady:

Her photos are a very good likeness, and yet, seeing in person, her petite frame & stature also made her seem a lot younger, too. Long dark hair, smooth, perfect skin, small but perfectly shaped breasts, and a perfectly bald pussy. Her attitude was enthusiastic, generous, fun and made it feel so natural.

### The Story:

Starting with soft caressing and gentle kisses as she undressed and removed the last of my clothes, then naked astride me (but still not inside her) grinding her pussy onto my hard, unprotected cock as we deep French kissed and also I was able to kiss and caress her breasts, suck on her nipples. I guided her to sit on my face (clean and delicious pussy) she came\*, climbed off reached for lube and condoms. As she knelt on the bed next to me, I took the lube and with some on my fingers, I began to masturbate her. She took my cock to do the same to me. She came again\* before finally rolling the condom onto me and giving me oral. She climbed on top of me and rode me cowgirl until I came inside her. Still friendly and engaged as she helped clean me up and lay chatting, relaxed, until the hour was up.

\*If she didn't, she was kind enough to play the part, and it was believable.
