The Premises:

Central Milton Keynes clean and beautiful apartment with easy parking and on suite shower

The Lady:

Gia is a petite caramel Latina with curves in all the right places and an amazing bum. She is also extremely pretty with very kissable lips

The Story:

Arrived at apartment easy to find and buzzed in by Gia she answered the door in dressing gown she gave me a big hug and kiss and grabbed my hand and lead me to the room. Where she slipped off the gown to reveal beautiful black underwear she looked stunning another hug and kiss. The she leapt on the bed and told me to strip which i did as she wriggled very sexily on the bed asking if I had missed her which of course I had.

She then took my already hard member and teased me giving it some lick and kisses wow the look in her eyes is mesmerizing I was soon in pure pleasure as when took me in her mouth her owo is just fantastic after a while moved to the bed while I returned the favour she tastes delicious. Then on with the condom and she rode me cowgirl i was in ecstasy the way she moves and her dirty talk is amazing and was all to much for me. We cleaned up and had a great chat about life the universe and everything she is smart funny and seems to be able to talk about anything.

After a while got excited again more owo out and then came all over her while she talked dirty to me so horny I had a shower and sadly had to go. I left on cloud nine as always and cannot recomend her highly enough
