The Premises:

Place was in London Victoria, clean and fit for purpose, shower was there with everything you need.

The Lady:

Molly is a cute lady. She is about 5'5, photos seem accurate, she had red hair, Romanian, completely shaved. She had tattoos which I personally like, a nose ring and beautiful eyes. Stated age seem accurate enough I would say she looks more like 24.

The Story:

I arrived and I was let in by Molly herself, first impression I thought she is just my type. I like them curvier most of the time. I was asked if I want a shower and took on the offer. To the room and Molly came in with high heels on and I thought WOW, she really is hot, she was oozing sex appeal. She came in straight for a kiss and we started feeling each other. I got to undress her which is my favourite part and we went to the bed. I requested oral without and she happily delivered. The oral was nice with various speed and moved which really turned me on but I didn't wanna waste it so I got the bag on. Started with doggy and what a view, she has a great ass. Moved to missionary and we started kissing again. Couldn't hold it much longer like this and I popped into the bag. We had a little cuddle and talk, she is very friendly and giggly and I was made to feel welcome. True GFE experience. Will definitely return to her.
