The Premises:

Block of flats above restaurants in Hub area of Milton Keynes.

Plenty of nearby parking.

Buzzed up to flat.

Room nicely furnished, but quite small with nowhere to leave clothes except on bedside table.

The Lady:

I was met by Bunny at the door, and if it hadn't been for her distinctive red hair I wouldn't have recognised her from her online albeit blurred out photos.

She is the archetypal pocket rocket though, only 4'11" with small natural breasts and a slim figure.

Very chatty and friendly right from the outset.

The Story:

I've punted on and off for many years, but I can honestly say I've never had so much fun in a half hour appointment as I had with Bunny.

I was her first client of the day, and it was Bunny herself who let me into the flat.

She escorted me to the bedroom and left me for a moment to finish getting ready.

When she returned it was straight into kissing with some tongue from the word go.

We both undressed and she asked me what I wanted to do.

I offered to give her oral first, including some light fingering, which she eagerly accepted and seemed to really enjoy, telling me that I certainly knew what I was doing.

She has one of the cutest, and smallest, pussies I've ever seen.

Then it was my turn for some very nice OWO followed by some 69.

Then she applied the cover and started in cowboy, then doggy and finally missionary until I filled the bag.

After cleaning up she cuddled up again and we chatted until my time was up.

I'd often looked at Bunny's profile, but her short stature and vibrantly coloured hair somehow always deterred me from making a booking.

In the end neither was a problem, and I regret not seeing her sooner.

I most definitely will be returning as often as my budget and schedule allows.
