Exactly like her photos. Slim, attractive, british blonde with an amazing figure and perfect (enhanced?) breasts. Been wanting to see this lady for ages and she didn't disappoint.

The Story:

My visit to Louise was a couple of months ago so I can't remember exactly what she wore, although whatever it was didn't stay on long.

Louise is a delight to chat you and puts you at ease straight away. She started with a delightful blowjob (OWO), before I asked whether she'd like to 69. She didn't need asking twice and before long she parked herself on my face for some mutual oral. Her pussy is perfect. Fresh, clean, tight and beautiful. The 69 lasted a good few minutes and she seemed to enjoy the attention my tongue was giving to her clit. She tastes divine.

Next she rolled the condom on with her mouth and mounted me for some cowgirl. Watching her plunge herself down on my cock was a sight to behold and I couldn't help but suck on her nipples while she rode me slowly. She then turned round and rode my reverse-cowgirl.

We then moved briefly onto missionary, and then finally doggy. Along with the view in the mirror, and her vocal encouragement, I couldn't hold back much longer and finished inside her.

After a quick tidy up, still had some time remaining so we chatted while she gave me a relaxing back massage.

Will definitely be seeing her again.
