The Story:

I think it speaks volumes when I say this is my 3rd visit to see Eva!

She entered wearing a black tight fitting bodysuit and she looked gorgeous. She remembered me and we had a laugh about my first visit when I followed a punter with the same name who was not nice. She said your the nice *****! We then started kissing and her FK is wonderful we stripped off and got onto the bed and started to explore each others bodies which really turned me on. Eva is so sensual and I went down via the "Landing Strip" to what I can only describe as the perfect Pussy, small, fragrant and soon wet. I'm Pretty sure she came but only Eva knows! We then chatted and were giggling like a couple of naughty school kids and really enjoying each others company. I'm not good at the sex bit so Eva then started to perform oral and boy is she good at that at it ended with CIM.

What an experience and I will go back soon remember Eva I'm the "nice" one.
