The Premises:

Well-known establishment on quiet street, 1st floor flat, buzzed in promptly so no awkward foot shuffling outside random door. Stairs down into low-lit bedroom, big comfy bed and stacks of clean towels. Just the job!

The Lady:

Mixy is a seriously hot baby, pretty orietantal/south American mix, hourglass figure, soft silky olive skin and amazing tits with luscious chocolate nipples - like a lush desert at a glamorous restaurant. Beautifully, cheeky face too.

The Story:

Mixy got me some orange juice, asked me what I liked. I said soft, sensuous kisses and GFE experience. Boy did Mixy deliver; soft, sensuous kisses from the get-go, fingers teasing my rock-hard cock as she kissed my neck, nibbled my ears and slid and flicked her silky tongue all over me. I was putty in her expert, teasing hands and lips. Lay on the bed for more intense kissing as she leant over and ground her wet pussy on my stomach and I sucked her incredible soft, big chocolate nipples-tits, better than a Magnum on a sweltering day. Mixy invited me to taste and worship her body, and who was I to refuse? 5 minutes of intense pussy licking followed, her fingers caressing and stroking my hair as she pulled me in, squirming and moaning. Some intense 69, cowgirl and mish followed, dfk throughout, ending with an intense orgasm. Delightful post shag chat followed, gentle skin stroking throughout. Left totally sexed out! Wow! Hotly recommend, can't wait to return!
