The Premises:

It was an out call at a top London hotel so the place was obviously perfect ;=)

The Lady:

This little doll arrived. She advertises herself as 18 and 5ft 2in with a 32C-22-31 figure and ... That is her. On her site she hides her face and in the flesh she is a stunner .. Which explains why she is also a model.

The Story:

She won't do OWO, A or CIM and that was ok... But she will do OWO after you've met a few times and she's got to know you. I can understand why she won't do A as she has such a small and tight bum.

she was wearing a figure hugging black dress, hold ups and stilleto's which showed off her curves and underneath really sexy lace underwear.. We sat and chatted for a while with a drink or two as I thought that if we went straight to bed I'd never last the two hrs I'd booked her for and when we did get down to the nitty gritty she was great...

So not only is she a real looker she is a great escort as well.. I'll leave what we did get up to... To your imagination...

I'll definitely see her again when I can afford it..
