### The Premises:

Nice clean bedroom in what looks like a purpose built facility. Good size room too.

### The Lady:

Absolute stunner. When she came in with rebecca i wasnt sure what to expect. They were both gorgous in their own unique ways but Asia is an absolute beauty.

### The Story:

Booked a 2 girl session with Asia and Rebecca and there was no messing around. They were both complimentary about how i had made an effort for them then it was straight to it. Both girls started kissing and undressing me before i could hand them the money... i placed it in their hands and i had to remind Asia she didnt take all of it before they continued. They both took turns in going down on me and asia asked if she could sit on my face when rebecca took her turn down stairs. Obviously i obliged. They were both very skilled with my fella. I would have liked to have a taste of rebecca too but she had a bad knee so i didnt want to ask. Asia showed good initiative during the session and then it came to the main event. Rebecca went to climb aboard my fella and Asia went to straddle my face again but unfortunately they clashed heads, luckily nobody was injured and Rebecca returned promptly after checking her nose. Asia kept me occupied the whole time and when Rebecca returned she wanted doggy. Asia was playing with herself watching me take her from behind and Rebecca had a tight grip on the bedsheets. Then it was Asia's turn to have a ride and that was what she did. When she finished she returned to her new favourite place to sit and rode my face while Rebecca finished me off with very few minutes to spare... i shot so hard i took a bit of friendly fire on my ribs and arms. Jumped in the shower, had i have known Asia was planning to join me i would have spent longer in there. Both girls were fantastic, i didnt manage to give Rebecca the love she deserves but Asia was something else.
