The Story:

Asia walked in wearing some lovely lingerie with a lovely smile on her face I was very pleased with my choice, started off with some light kissing which became more intense as we explored each other's bodies then onto the bed with more fk after a while I moved down for some ro and found a lovely clean sweet tasting pussy which became very wet Asia then wanted to return the pleasure and wow what a job she done we then moved on to sex where she rode me until I filled the bag after the deed we lay chatting about each other's lives until time was up there was no clock watching and she didn't even pick her reward up till after we had dressed Asia saw me to the door and saw me off with a final kiss where I walked away feeling like a king, I really can see why she is so busy and if anyone's in doubt I couldn't recommend this lady enough, I will certainly be seeing her again when schedules permit
