The Premises:

The usual pied à terre in Victoria.

CLEAN, actually spotlessly immaculate

The Lady:

Colombian-Thai mix, seriously immaculately presented, stunningly beautiful eyes, perfectly porcelain skin so smooth, I said not an ounce of fat on her, she disagreed! She is a keeper, fantastic figure with some amazing curves, salt belly, killer legs, and a smile that never faltered throughout. Extremely special human being, she is incredibly sweet and polite.

The Story:

It's been a while since I frequented HOD, and I'm back home in Blighty now for the time being, but from the second I walked through the door, Mixy was smiling, and never stopped smiling. As stated above, she is incredibly beautiful, her kisses are passionate, everything about her is pure passion, she actually cares if you're happy. Of course I was happy, I was in the company of a lady whose conversation was impeccable, as was her total demeanour. I can't rate her highly enough, I've actually never met anyone I've connected with more. Her skin is so soft, I can't believe that the website says she's 35, how can anyone have a figure and skin as wonderful as that! Hardly any make up, she seriously doesn't need it, and no tattoos, that does nothing for me and she agreed. Remember that a tattoo is for life... Her service is unbelievably awesome, she makes love, and it's sensational. It was as if I'd known her for ages, and when she kissed my neck it honestly sent shivers down my spine, she conducts herself with complete serenity. It also helps that when you call to make the appointment that the voice on the other end of the line is polite, and that Bimla (hostess for the day) most certainly was. This is what you want, and this is what you get. Respect. She is also very very pretty, I might just have to see her, when I'm not seeing Mixy again. And again I shall see Mixy, countless agains. She asks what you like and what you don't like, it's important for both parties to understand that, otherwise it just falls flat. Respect the lady and she will respect you. It's symbiotic, we're both there to please each other. There were no "awkward" silences, conversation was invigorating, she's genuine in her manner, and just for a split second she looked surprised that I said I would write a report for her. A promise is a promise, she deserves this report, I can't fault her at all. Politeness goes a hell of a long way in this business, as does

respect, and one should always respect the lady's boundaries. For me, it's not about wham bam thank you ma'am never see you again, if I wanted that I'd do a quickie 30 minute job, but Mixy deserves far better than that. It truly was an incredible experience and I shall return. To be honest, I would've booked another hour and continued the fun and passion. Highly recommendable, 11/10 easily. I left shattered but with a big smile on my face and I felt good for having made first contact with a lovely lady. Have I said she's special, because she is. Enjoy the chocs ladies, you both deserve them.
