The Premises:

Pleasant shared ground floor flat a short walk from Notting Hill tube station. Apple has a nice comfortable bedroom, with an adjoining bathroom. The bathroom is small, but perfectly adequate, with a decent shower.

The Lady:

Apple is Thai, of medium height, very pretty, slim, with lovely enhanced but soft boobs. The photos on the website are a good likeness.

The Story:

The first thing to say is that Apple has a very engaging personality, warm and friendly from the moment I walked through the door. To be welcomed by kisses and hugs from the outset is always a good start.

After a very interactive shower we adjourned to the bedroom for a lot of kissing, mutual oral and rimming. We then concluded with prolonged and satisfying intercourse.

Apple provided an expert neck and shoulder massage in the short time remaining.

I definitely intend to see her again.
