### The Premises:

London near Victoria station, on the basement flat

### The Lady:

Asian medium to tall hight, pale skin, medium tits well proportioned, short black hair, pretty

### The Story:

The usual place downstairs this time, this girl is new and the description of the photos it is accurate, I book the 30min 80£ today Sunday at 16:45, I would say WoW !!

After so many Years of punting and the usual vanilla, this is one that delivers !, she starts friendly, moving to real GFE and finishing with real PSE !! simply amazing, I was going to keep her for me, but to her credit i have to share...

I was in the room 5 min before, and she come in, we started straight away, she kiss me passionate, maybe we click !, then she went down in front of the mirror to suck me with saliva deep...we move to the bed, her nipples responsive, her pussy more responsive on the touch it become wet, no stupid creams or gel, and shaved and clean, we move to 69, and then we kiss more... the time was already 30 min, and i suggest we should put it inside, so on with the condom and missionary with myself on the floor standing and her legs back on the air, right real noises.... Finally I was so horny that I dare to ask her to come on here face ! She said yes with a naughty smile and we move I stand and she lie down with her head on the edge of the bed, I remove the condom and put deep inside her mouth. While I kiss and play with her pussy, she suck me so much that I felt her throat and she was gasping for air and gulping so I gone gently and hard again !

Finally I come inside her mouth some and more on her face, I cover her with cum ! She got up and run to the bathroom to clean, she come back and hug me more and chat. At that point I felt that a woman like this i like to marry her !! Seriously !! and when I left I realise that we had 45 min !! together.
