### The Premises:

Ground floor apartment near main shopping centre, plenty of nearby cheap parking.  
Can't say I paid too much attention to the room. Functional for the purpose though.

### The Lady:

She's quite tall, mid to late 20s, about 5'7", very slim with smallish natural breasts, which was fine for me as I prefer smaller breasts.

She has long dark hair which was tied back and was wearing a sort of see through fishnet garment.

### The Story:

Walk-in location with Serena and Ruby available .

Both girls introduced themselves, but I'd already decided it was Serena I wanted to see.

Having made my choice Serena joined me in the room and the paperwork was completed.

We then both stripped off and we embraced for some light kissing.

I then laid down and Serena started a long and very enjoyable session of OWO. After a while she straddled me so we could do 69.

As I was by this time feeling myself getting very close to cumming, we swapped around so I could return the favour.

I kept this going as long as possible as she certainly seemed to be enjoying it, given the way she repeatedly clamped her thighs to the side of my head and arched her back, all the time making appreciative noises.

She then gave me some more OWO and then applied the condom for some vigorous CG, followed by some reverse CG, doggy and finally mish until I filled the bag while kissing.

While we cleaned up we chatted, and I must say I really found her to be a chatty and very friendly girl.

All in all I had a lovely time with Serena, and I hope to repeat it soon.
