The Premises:

Well-known heaven parlour near Victoria/Pimlico stations.

Basement flat, friendly banter with maid who ushered me into comfy big-bedded room.

The Lady:

Emily is like a Tom Ford perfume, sultry English rose that lingers long after the event. Face and body simply ooze sex, pretty and smily, soft enticing voice, silky pale skin and luscious curves that you just want to squeeze and kiss. Fabulous boobs and bum.

The Story:

This is my second time with Emily, returning because she's a simply awesome kisser and shag. Long, lingering snogging throughout. She also knows how to gently build up the tension, skilful use of nails, sensuous neck and ear kissing as she worked down to kiss me around my cock and balls, which she slowly licked and sucked until I was on the edge of cumming. Time to shag! Lovely, rotating cowgirl and then mish, we kissed and snogged throughout as she clamped her legs around me and we went at it - came noisily! Tremendous fun! This was a lovely, lingering, sensuous fuck. If a total babe GFE shag is your thing, I can't recommend Emily highly enough. It's definitely mine. She's also sweet and funny to chat to, just a lovely, lovely woman.
