The Premises:

Lovely place, discreet, easy to find, clean and incredible shower facilities.

The Lady:

This lady is once in a lifetime beautiful. As sensational as the pics are she is far better in real life. Body out of this world. And incredible blue eyes.

The Story:

I been wanting to see Louise for the longest time and finally managed too, I will admit due to her pictures I had ridiculously high expectations of what a meet with her would be like, yet she somehow far exceeded any and every expectation I had. Everything was sensational. The sex aspect was splendid, 69, sucking those perfect tits, eating her pussy and arse which taste remarkable and the way she backs herself into you when doing doggy so you can go deep in is unbelievable. All this made the experience so outstanding yet there was so many other brilliant things.

The way she talks, the cute voice that puts you at ease and such an easy chat was another highlight and finally I been having back issues for a while, suffering bad pain from overtraining and I been trying to find a good masseuse to fix it, she gave me a massage and with her healing hands actually fixed my back pain. So not only best sex worker ever, best masseuse ever. 7 Stars. Definitely will see her again.
