The Story:

I have seen Lexi three or four times before which speaks volumes.

A lovely lady with a great temperament and a beautiful face and beautiful smile. Body is curvy and the breasts are superb Did I mention that before ?

Exceptional kisser and very accommodating and really aims to please and does enjoy herself too.

The only small thing is the profile says WS however that is not on the menu.

In the words of Arnie, I'll be back. And the off to the Maldives together!
