The Premises:

MKE's new place. Personally I think it lacks a bit of the character compared to the old place, but all the rooms have en suite and the women seem to like it. Clean room, decked out in the usual style.

The Lady:

Cindy is a knockout, curvy, incredible natural boobs, nice bum, with string bikini tanlines which I love. She's very pretty and quite young.

The Story:

Cindy came in dressed in one piece lingerie and greeted me with a hug and a kiss on the cheek. She seemed friendly enough with a bit of small talk. Started off with a massage, then OW, then sex in a couple of positions before I finished on her boobs. She was enthusiastic throughout, seemed to love me fingering her (or gave a good impression) and the sex was good. But I'm leaving a neutral review because it's not what I signed up for. I specifically booked her because I like rimming, and decided to go with her over Annabella's Pamela due to the good reviews. Asked for rimming, no. Asked if kissing was ok, no. Asked for OWO, no. Her extras list includes CIM, swallow, facials, rimming and anal. I understand it's all at discretion, but she offered literally none of it. I decently in shape and make sure I'm showered and smelling nice before I see a girl, so to turn up looking for dirty sex and get the most vanilla experience possible was a letdown. It's neutral rather than don't recommend as she's a stunner and what she did offer was good, but looking at her other reviews I feel like her services list should be adjusted ASAP. I'll probably stick to seeing Chantelle in future.
