Ideally located in the Hub of Milton Keynes. The Apartment is clean and tidy,

The Lady:

What can I say, more beautiful than her photos, stunning body, the softest skin I have ever touched with long black hair. Elizabeth puts you at ease straight away.

The Story:

I had contacted Annabelle on twitter asking where they were located as I was going to be staying in the hub Milton Keynes, I got a message back saying they have 2 locations in the hub, so that was ideal for me. I rang Annabelle at 6pm Saturday asking to see someone, I was told Elizabeth was available and they would send me the address, I rang the door bell and buzzed up and knocked on the door. The door opened with the stunning Elizabeth standing behind the door she asked me in, then closed the door. She gave me a kiss and said to go to the bedroom. She was wearing a sexy red one piece, I was asked if I would like a drink which I declined. Elizabeth said to take my clothes off as she did the same. This is my 2nd time with an escort so I was nervous, Elizabeth kissed me and asked what I wanted to happen. We kissed and talked and Elizabeth smiled as we did what I asked to happen. She was so sexy as we touched and talked afterwards kissed and chatted. If you want a girlfriend experience with a beautiful woman look no further than Elizabeth. If I get the chance to visit Milton Keynes again I will definitely be seeing Elizabeth again
