The Premises:

On the A3 near Tolworth junction South bound Malden Way. Lot of noise from the road which isn't a bad thing - I was expecting to make a lot of noise. House is shabby but bedroom large - bed huge and mirrors on the wardrobe. A seedy place to fuck. Bathroom was modern.

The Lady:

Kelly was dressed in a body stocking with holes for her tits. A nice mature lady still pretty but her body isn't her selling point its her service. I asked her at the start what she liked and she said giving was more her thing than receiving - good to know!

The Story:

I'd not listed her page as I'm crazy for rimming and Kelly is all out for that. Very excited that she was touring near me. Had good comms and got her last date on a cancellation that day. Hot footed round there on my bike. Its a little tricky as cycling down the A3 would be madness.

She let me in and immediately at ease as she's someone who excudes experience. She is quiet clear about how she wants things done but is patient and wants to give you what you want a great combo. Well I wanted plenty of rimming. Paid and then shower, then Kelly positioned my body and got rimming but not the rimming nirvana I was so hoping for. She licked around my ass hole and with plenty of fingering and cock pumping it was great but for whatever reason - i am senisitive for a few reasons - and whether my ring piece was abnormal she didnt thrust her tongue repeatedly into it. So you'd expect this to be a negative review but the face fucking on offer was a mighty close second place.

After the first rim I had her sit on over my face and she likes the gentlest of touches to her clit. I hope she did enjoy receiving that.

I had a butt plug and that up my arse was good. Some more off bullseye rimming and cock pumping - i had on two cock rings. I was 10/10 for hardness. I got three sessions of face fucking. Kelly gets down off the bed kneels with her back against the bedside. Then she works your cock down - so hard! - until she gets in her mouth - she works her face onto your cock and then you're able to work in and out of her lovely face using your hips while she keeps eye contact. And the feeling superb-rough very rough on the roof on her mouth - keep me out I told her on my last run. For me the prefect grating on the cock. She took it all the constant pistoning of cock into her mouth - not crazy of course - but lovely half length shoves in and out. And knowing you can cum. I told her i was coming on the last run. And got up to a hell of a rate. No wobbling from Kelly no hands full eye contact and then I had break it as I blasted it out. Im sure she swallowed it. Such a brilliant mouth

job.
