The Premises:

Her flat is about a 3 minute walk from the Edgware Road station, very easy to find. She shares with another girl but we were the only ones in the flat at the time of my visit.

The Lady:

She is a petite and firm bodied thai girl with wonderful face, tits, and hair. In my opinion she is more attractive in person than her profile pictures. If you like smaller Thai women with fake tits, you will like her.

The Story:

Overall positive experience with Mulan. She is not the most attractive girl I have seen on Olina or the youngest, but she does have the complete package of good service, attitude, and a really hot body to spend an hour with.

We started with a quick shower but then quickly got to me feeling everywhere on her body then her sucking my cock. She has great oral skills, a bit more ball licking than sucking but I enjoyed it all. First shot was a strong CIM where she took every drop.

This was followed by a pleasant massage that ended with me kissing everywhere on her body and fingering her hot little thai pussy, up for a second round of really good deep oral. This was my first olina girl on my way back to london, so once i got her in doggy I unfortunately just pounded her little pussy while staring in the mirror at her great tits bouncing. Came way to fast in her pussy... then cleaned up and left.

Fun girl - would not think twice about enjoying a second visit with her.
