The Story:

Is there anything that has been left unsaid about Carla? It was the first time I'd seen her in 5 years when I combined her charms with those of Ella. This time however I decided I wanted Carla all to myself.

Carla simply gets better with each year that passes. Her enthusiasm is stratospheric and she keeps the appointment at a high for the duration. Her BJ is to die for and her pussy is seet and gets very, very wet. I lost myself in two sessions of going down on her, plus a mind-blowing 69. Carla never fails to impress, that's why she is an Annabella's Hall of Famer, and will remain so for as long as she continues.
