The Lady:

She looked great just as in her pictures , although i would suggest she is a little older than the 22 years old she claims to be, more like 25 - 30 but dont let that put you off she has a fantastic body. and very nice suckable boobs..

The Story:

I am writing this after arving home from my midday session with a huge smile on my face and a very clear memory of what just happend less than 2 hours ago.

Very easy to arrange just call the booking ofice and all information is texted to you , i arived on time and was greeted at the door by the lovley Abigale dressed in a little black outfit, she gave me a beautifl smile , a kiss on the cheeks and a squeeze of my balls . Shoes off into the bedroom ,sort out the money and we are ready to play . She helps me to undress , jacket , top ,vest , trousers, socks and than wips my boxers to reval a slight semi hard on , which she nods at and smiles, escorts me into the shower and joins me and gives me a very good soap down of my whole body , here fingers and hands went everywhere,her mouth swalled my cock and had me moaning in enjoyment of what she was doing wow that was one of the best assisted showers i have ever had . Back to the bedroom , all dry and smelling nice i was layed out on the bed and she lay in front of me and precedes to give me a blow job , she made it disappear into her mouth, got it all wet ,used her tounge to go around the head , teasing me to perfection my cock was throbing in her mouth . boy was i enjoying this, i got her too assume the 69 position and i got my tounge to taste here freshely washed pussy and it was devine , got it right in there and tasted her pussy for at leaat 15 minutes i was in heaven for the whole time shae was on my face.Eventually i asked her to assume the missonnary postion abd i entered her moist pussy and fucked her hard, she moaned and groaned and bit my nipples just as i asked her too , i was really fucking this lady so hard and she was gripping me with her legas wrapped around me . time for a postion change and i went into doggy and anterede hher form behind and i could my cock going in and out and wet with her juices. i started to rub her ass hole with my thumb, and slowley inseret it just to see what sort of reactions i would get , some ladies would immeadiltly say no to asshole play , but i had hit the jackpot , she says , YOU WANT TO FUCK MY ASS . OMG , Of course i said yes, she lubes it up and guides me

in , wow this was a tight fit , sowley she says and i did just that fucked that ass nice and slow and what a view it was seeing my cock disappeared into her ass, i could not take much more of this and shot my load inside her , condom on of course.

She cleaned me up wiped me all over , we relaxed for a few minutes than she gave me a lovley all over body massage which she was very good at .Massage over and i was ready for round 2 condom back on she rides me cowgirl style and gets right up and sits an the whole shaft. i was so enjoying this , i flipped her over and finished off missonary style and i exploded deep inside her for the seond time . By now i am knackered , just time for aniother assisted shower to clean up get fressed and say my good byes , best hour i have spent any where in a long time and no doubt i will return as i just love these asain girls that work at olina , Best around in my humble opinion , and the lovley Abigale is one of the best ...
