The Lady:

Small thai lady ,very petite , she says she is 33 but i suspect a little older , anyway i wanted to try a MILF type so i took the plunge. small tattoos on her back as in her pictures on the website

The Story:

this was a good punt , arrived promptly at my arranged time , rang the bell and she wasnt able to open the door from upstairs via the buzzer, so she ran down and let me in . opened the door too this sexy lady in a sexy outfit. she ran back upstairs and i followed. she looks so tempting and kissed me and squeeze mu balls and gave me a kiss. Got the money out of the way undressed and into the very small shower, she could not assist me in the shower it was that small ,so i showered myself towled off and she was waiting naked in the room ,i lay down and she dived on me and started to suck my cock , deep throat i may add wow, i loved it i manovered her into the 69 postion so i cluld lick that little pussy of hers , stayed like this for about 15 minute's as i was enjoying her cock sucking and i happen to like eating pussy.

Onto the missonary postion so i could see my cock sliding in abd out of her pussy , then some doggy and i pounded her from behind until i thrusted my first load .

i love olina escorts as they all give a good massage after the first round and monica was no diffrent she gave me a excellent massage deep tissue back and then onto the front as by now my cock was hard and ready for more, she jumped on me cowgirl style and rode me like a champ, changed postions to me on top and o gave her all i had i was fucking her so hard abd she was enjoying it so much so that when i had to stop for a rest she complained that i had made her so horny and now i stop , i wiped the sweat from my brow and fucked her even harder , she started to make all the right noises , evantually i had to stop again and ask her to finish me off by hand and mouth , she gladley obliged and gave me one of the best blow jobs i have ever had and when i shouted i am coming she went all the way down with her mouth and took my load in her mouth , what an ending i was shattered and in heaven .

She cleaned me cock first with her mouth then wiped me with wet wipes , we kissed and cuddled and and hands and fingers were everywhere. got up had another shower, she dried me all over felt

my now empty balls , help me to dress and we kissed and said goodbye ,great afternoon and no doubt i wil return , these thai laides are the best in my humble opion
