The Premises:

The new place in Fenny Stratford. Parking available behind the older venue (about 5 mins walk), I chose the garden centre which is slightly further down the main road. No onlookers as I walked up to the door, the other units were closed because it was the weekend.

Clean, tidy & modern inside, greeted by a friendly maid & shown to one of the upstairs rooms. I'd already showered so didn't make use of the en-suite beforehand but it's a nice touch having it there.

The Lady:

Foxy is fit, no two ways about it. I believe she's in her forties but looks damn good for it, an attractive woman with great energy & an engaging manner. A slim but curvy woman with a lovely pair of tits, real handfuls with responsive nipples. Looks as good if not better than her photos on the website. Clean & fresh all over.

The Story:

I wasted no time in getting fully undressed & shortly after Foxy bounced in & came over with a warm welcome of some DFK & compliments. More kissing & touching followed before I helped her out of her dress & it wasn't long before she was on her knees giving me an enthusiastic blowjob. What followed was a breathtaking series of events involving pretty much everything you could want in an environment like this. Her mouth & hands were all over me and my mouth & hands were all over her! Moved into protected penetration in at least three positions before I asked her to kneel again so she could finish me off with her mouth. I paid the extra £30 for CIM + Swallow & it was well worth it. Had a nice little cuddle & chat after she'd drained me then hopped in the shower before making my way out. It's always a great experience with Foxy, doesn't matter if you're a veteran or newbie I'd definitely recommend visiting her!
