The Premises:

A lovely clean flat which is only a 10 minute walk from Victoria station.

Bathroom is available for a shower or to quickly use the toilet before the session begins.

The Lady:

Bunny is a red haired Romanian Goddess who will make your jaw drop on first sight of seeing her. Sexy, tanned, beautiful long hair with pretty eyes.

The Story:

I hadn't seen Bunny since December 2021 and was desperate to see her after so long.

I booked her for the opportunity I had for the week I was off work and to be her first client of the day.

I arrived just before 11am and was greeted by Bunny who had a beautiful smile and showed me to my bedroom.

I quickly used the toilet and used some mouthwash I brought with me.

My biggest turn on/fetish is women's silk satin pyjamas.

Physically it feels really good if I'm naked and a woman is grinding against me whilst we kiss, plus psychologically it looks really attractive on a woman.

I have a full set which is long sleeved and long bottomed in the colour white, which is really silky and if they are the correct dress size I always request the escorts I hire wear them.

Bunny walked in and shut the door and I mouthed the words 'Fucking hell!' after seeing how stunning she looked.

I pressed play on a music playlist I set up and Bunny began taking my clothes off before we engaged in DFK and passionate kissing.

She is up there with one of the best kissers I've ever had.

We kissed in many different positions including her on my lap, me on top of her and her on top of me etc.

I grinded my naked body against her whilst we both said the words 'Silk satin pyjamas' which got us both turned on.

Next I took the silk pyjama bottoms off Bunny and began making her pussy wet with my tongue.

After that I got her to sit on my face until I made her cum.

Before we moved onto intercourse, Bunny gave me a blowjob whilst I was lying on the bed and it's the best I've had in ages, particularly when she teased my dick with her tongue.

Finally Bunny put the condom on me and I began fucking her in missionary whilst we kissed and talked dirty to one another.

I loved her encouragement quotes including 'Fuck me like a man!'

After saving up for 10 days it was time for me to finally cum, so I finished off in cowgirl position which felt incredible.

For the last part of the session we had a lovely catch up and cuddle after not seeing each other for nearly 3 years, plus some more kissing sessions before time was up and we had to say goodbye.

In conclusion, Bunny is definitely worth every single penny and if it's your first trip to HOD then please do book her.

You will not be disappointed.
