The Premises:

Usual HOD address about 10 minutes walk from Victoria station. Telephoned to confirm on the morning - first floor flat today. Arrived 3 minutes early, offered a drink, and shown to the back bedroom by the maid, then swapped to the front bedroom (before starting). Both very clean and tidy, with the front room being a little airier.

The Lady:

Amelia describes herself as having a petite body with perky tits and a round bum - this is absolutely spot on. What she fails to mention is how undeniably cute she is, and there is a definite girl next door vibe going on. Amazingly soft skin, shaved downstairs, softly spoken, and a cheeky glint in her eye. Simply irresistible. ..

The Story:

Amelia bounced into the room wearing a pink camisole, white thigh-high fishnets and pink knickers. Her bubbly personality was immediately apparent and having sorted out the finances and small gift, sat on the bed next to me where we shared a lovely getting-to-know-you chat.

Today i wanted to be slowly seduced, and Amelia was more than happy to oblige. What followed was a wonderfully intimate session, culminating in the most powerful climax i've had in a while. Even Amelia commented on how much there was - a first for me. With 20 minutes left we both just laid back, chatting and listening to music. The conversation was relaxed and free-flowing, a testament to Amelia's ability to make you feel totally at ease.

To conclude: In all honesty, this was one of the most eagerly anticipated sessions I've booked. Amelia exceeding all my expectations - I'm coming back for more...
