The Premises:

The new place in Fenny Stratford. It was raining so I parked behind the older place & dodged the drops. Got let in promptly by the efficient, friendly maid who showed me to an upstairs room and offered me a drink. I'd come straight from work so I jumped in the shower to freshen up for Patrice who knocked on the door & let herself in as I was drying off.

The Lady:

Patrice has a considerable number of photos online, both on the MKE site & her own Twitter page & what you see is what you get - an attractive dark-skinned woman with striking facial features (those eyes!), a pair of large tits that are so soft to the touch & an arse that just needs to be grabbed imo. Upfront & friendly, she put me at ease instantly & straightaway I knew I was in for a great time.

The Story:

I told Patrice what I was looking for & mentioned that I wanted her to finish me off with CIM + Swallow (£30 extra) & she motioned for me to lay back and then got to work. Starting off by sliding her tits up and down my body she had me rock hard in seconds, plenty of dirty talk interspersed with full-on DFK got my pulse racing & my hands were all over her soft curves before she embarked on one of the finest blowjobs I've ever received. Full eye contact, sloppy drooling deepthroat with plenty of attention to my balls - the perfect cock worship. More filthy talk as her tongue went everywhere & at this point I was seriously close to finishing way ahead of schedule so we swapped positions & I made my way down her body with my mouth to find out she was nice & wet for me. Buried my face in there for a while & then brought my fingers into play which seemed to have the desired effect. Told her I wanted her to ride me so she popped a condom on my erect cock & slowly sank down onto it. Teased me by varying her speed & rhythm & she felt amazing, nearly making me lose my load again. She slowed things down letting me regain some control before getting on all fours for me to try her from behind. I took hold of her awesome booty & methodically gave her some firm, deep fucking which she seemed to absolutely love! Feeling like "the man" at this point I asked to have a go in mish & she held her legs wide open for me to enter her warm wetness once more. Plenty more DFK ensued as I enjoyed the sensation of being inside her while the eye contact was maintained & the filthy language flowed between us before I couldn't hold on any longer, and we jumped off the bed so she could suck my soul out from a kneeling position. I literally shouted out as she made me cum so hard in her mouth & then swallowed the lot, quick clean up & a lovely cuddle

& chat to finish before walking me to the door for one last snog & I was on my way, lightheaded & not quite believing what I'd just had the pleasure of experiencing. Patrice is an absolutely amazing escort who clearly loves what she does & I hope to return to see her again soon - fully recommended 10/10.
