The Premises:

GFE Manchester is a great parlour. Off the beaten track yet easy to find and plenty of parking nearby. A discreet entrance and a clean and comfortable reception. The receptionist is always friendly and offers a drink upon arrival as you wait for your chosen girl.

The Lady:

An absolutely stunning girl, her pictures do not do her justice! The most beautiful sparkly eyes with a naughty hint of playfulness. Such a pretty face. And that body... Wow! All the right curves in all the right places all wrapped up in the sweetest little 5-foot package.

The Story:

And as for the time we spent together? A gentleman doesn't share the details but suffice it to say that half an hour isn't nearly enough. Charming, alluring, disarming and puts you instantly at ease with fun and friendly conversation. And beyond that, let's just say that Leanne certainly knows how to make a guy feel good. Until next time Leanne, where we can relax and enjoy a bit more time together.
