### The Premises:

Modern apartment in central MK, clean and comfortable. Many great memories in that bedroom!

### The Lady:

Elizabeth - tall, tanned stunning figure, beautiful and just a joy to spend time with.

Kris - shorter, blonde, busty, gorgeous, lovely girl.

### The Story:

Worked out it's been 16 months since I've seen Elizabeth! I don't know how because I really love spending time with her. First time I have met Kris and they were work together brilliantly as a duo booking.

Quick introduction and catch up was followed by an intense hour with two incredibly sexy women. I hope my efforts were appreciated as much as I did theirs!

As ever the hour went by far too quickly.

Had time for a chat at the end of the session with two gorgeous naked women lying either side of me - that alone is worth the visit...

Will be back to see both girls soon.
