The Premises:

The usual place in Bletchley. Easy to find and park. I was in a smaller room today, but was clean and had a sensual tone. Great shower and bathroom facilities.

The Lady:

Katrina is absolutely gorgeous and the Ukrainian accent just adds to her attractiveness. Amazing eyes and the best body to play with! Her photos on the mke site are accurate, but she looks so much better in the flesh! Kateina is infatuating.

The Story:

Katrina came into the room with a hot black gown on, shook my hand and gave me a kiss and cuddle. I really liked how enthusiastic, respectful and naughty she was all at the same time. We undressed and she seemed to really like my body. I was told to keep my boxers on and sit on the chair... Katrina had fantasies she wanted to explore. Katrina teased me in many different ways, my cock had never been so aroused! Owo was amazing, she really knows how to get you rock hard and tingling. Was asked if I wanted to give oral which I'm so glad I did, tastes great and brought Katrina to orgasm. Katrina still had fantasies she wanted to try out and she blew my mind with them. Kneeling down recording head whilst looking at her bun in the mirror. Some light fingering in both holes too. At this point I really wanted sex so on went the protection and started with Katrina on top with Katrina easing me in and moaning in my ear. Switched to me on top in missionary. Katrina is so tight and could not take all of me but that didn't stop us. Cumming inside Katrina was the best feeling after all that teasing.

Katrina is great fun, a lovely woman who is naughty but sensual in all the right ways. A great connection and so glad to meet her
