The Premises:

Basement of the HOD place in Victoria, my first time in the basement flat and liked it much better than the first floor room, slightly larger in space, the bed was less creaking as well.

The Lady:

Very accurate pictures on the HOD website, and a really pretty face which is unfortunately blurred out. I really really like her personality, easy to click with, chatty all along, one can easily say that she is doing this job because she genuinely enjoys herself as well. Was wearing a lighter green version of the lingerie from the pictures, so that's pretty much what you're getting.

The Story:

This was my second time with Charlotte, after her becoming my first at HOD a few months back. I'm usually looking for a weekday booking these days and it's usually not that easy to get a hold of Charlotte as she has a separate full time job. Booked it a week before as soon as she appeared on the Monday of the next week's schedule. First client of the day. Answers the door in a light green lingerie (almost identical to the dark green on her pictures as mentioned above), asks who I'm meeting and I happily say it's her.

She was sharing the basement with her close friend Emily on the day, really nice looking lady, might go for her on a week where Charlotte is unavailable.

Takes me to the back room, comes back after a few minutes, quick paperwork stuff. We start chatting immediately, ask for a massage to begin with, start from the back. Obviously she is not a professional masseuse but I just was very happy and relaxed with what she was doing so took me a little long to turn around. Starts with the legs, slowly moves on to my balls and cock, after a few touches she goes for a really sensual OWO. Just amazing. Asked for a 69. It's really hard to focus on anything else with her mouth on my cock but, loved eating her pussy out. Once she came, on comes the condom and she starts riding me, what a view! Move on to doggy to finish. More chatting and another round of back rubbing. Conscious of the time I turn around and she goes in for a handjob, unfortunately not my day and don't pop for a second time but overall a great time.

She wasn't aware she had back to back bookings - probably a last minute booking in place of a cancelled booking - so I was able to take it slow with dressing back up, and she wasn't rushing me out, always a good thing.

I'm certainly coming back for her, and will be asking on some anal play if she is up for it on the day as it's listed on her profile.

To finish up, I've seen two other ladies on HOD and both times I felt the conveyor belt/automatization/just business (whatever you want to call it) type of process and acting, with Charlotte on both occasions so far this has never been the case. Had great fun both times.
