### The Premises:

HOD downstairs - described many times. Reasonably decent.  
We had the back room.

### The Lady:

Far more attractive than her current photos. English, slender and fit, with dark hair. Small, attractive breasts, trimmed bush. A couple of tattoos, no obvious piercings.

### The Story:

Amelia met me in skimpy, and see-through bra and knickers. She started kissing me, full on snogs, even before the paperwork was completed. This continued for some time, while we rapidly stripped.

The snogging continued throughout - and it was highly varied and skilful. She seemed to really enjoy being licked and fingered deeply - and she gave me full attention, too (OW only).

A sonnet was requested:

Hot summer, and all our juices quicken  
A Divine girl I chose, to sate my pleasure  
And truly could I feel my member thicken  
Seeing Amelia, their sweet new treasure

Slender and beautiful, I was agog  
Scantily-clothed, all quickly removed  
With young Amelia, life's one long snog  
With vigorous tongue and lips – I was moved

A right happy lass when licked and fingered  
She's dead eager, grabs for swollen cock  
A stunning bod, on which I could've lingered  
Ignoring hours a-passing on the clock

But time was up, and homeward I was dashing  
Enjoy this lovely whore, she is quite smashing!
