The Lady:

Beautiful Latina-Thai of 35 but looks younger. Golden brown skin and perfectly formed breasts. Her photos on the HOD website do not do her justice!

The Story:

I had a fantastic 60 minutes with this delightful ethnic mix of Colombian and Thai. Just over 5' in height, Mixy greeted me swathed in a cute, diaphanous nightdress-type of attire that hinted at the full revelation of her form to come. A stunningly beautiful girl, it's stated on the HOD website that she's 35, but she looks much younger. She constantly caressed me with her cool, slender hands rendering me powerless in her hands. I fell further under her spell as she spoke to me in hushed tones, whispering closely in to my ear that sent shivers to my already quivering body. She moved her soft voluptuous lips close to mine continuously sliding her tongue gently into my mouth. Her sensuality reminded me of what a Japanese Geisha might be like. My groans of pleasure increased as she first played with my nipples and then pinched them hard as I promised her I'd take the pain for her. She then slipped under my body and pulled on my hair to guide my eager tongue down to her pussy where I licked hungrily, my spit mixing with her sweet vaginal juices. We finished with her administering me a handjob, with me coming in her mouth sans condom. I'm a lot older than I used to be these days but this delightful nymphet was encouraging, patient and understanding. An attentive, sensual, seductive, intuitive and gorgeous girl, I can unreservedly recommend her services.
