The Story:

Nice and Naughty Natalya
30min booking £50 £10 OWO

Feeling Frustrated couldnt get appointment at Temptations
from 6pm onwards noted that Ladybirds did a shift change at 8pm

So made my way over to Northenden just after 8pm
Natalya was only one ready for work .

she came to say hello very friendly hand shake and how you etc
she was dressed in very tight small white basque & heels

Looks wise, think LUCY EWING in the Dallas reunion tv movies
she is 5ft, but very naturally busy & likes her tits played with hands fingers tongue and mouth

She does proper moans not forced lets your hands wander all over her curve tiny body bum &
pussy
the more sucked on her TITS The more she let my play with her pussy & she got wetter and wetter

she then move way up the bed & asked me if i wanted to go down on her which i did

she tastes five star more tongued her the wetter she got .. she then asked if i wanted a blow job

was with or without option for without £10.. worth it she wrapped her tongue around my shaft tipped her tongue on my japs-eye and give a top blow job

then on with the condom and on top of me she rode me her pussy lips engulfing my full length she took all me inside her tight wet (flowing) pussy tits bouncing looking me in face all time my cock in her .. once she felt my cum . she stayed on top and pussy pulsed and tried to get more out of me she kept me inside her a good two mins after id cum & was still hard

IS More than late 30s but with Ladybirds we all know they knock 5 to 10 yr off each WG

BUT Natalya worth a play

with have her again i think she may get more freaky & offer more the more you see her
